12th Career Day 2024

The Career Days were held from January 23rd to 25th 2024 under the patronage of Her Royal Highness Princess Reema bint Bandar bin Sultan bin Abdulaziz Al Saud, the Saudi Arabian Ambassador to the United States of America.

The Alumni & Placement Relations Department organizes annual career fairs, aiming to bridge the gap between academia and industry, creating a space for knowledge exchange and connecting students and job seekers with potential employers. 50 companies participated in the latest edition of the Career Days 12 of which were sponsors. We are proud to have various alumni returning as employers and giving back to the university and inspiring future batches. The event included 10 insightful workshops on employment-related topics. Career fairs emphasize Alfaisal University's commitment to serving alumni, students and the community.

ARCHITECTURAL ENGINEERING ALUMNI HOUR 2024

The Inspiring “Alumni Hour” annual event, has outstanding alumni who excel in their fields and generously offer their expertise to students, providing valuable insights into the professional world, offering career advice and highlighting the evolving job market and the essential skills required for a successful career.

On Tuesday, 5th of March 2024, The Architectural Engineering Department in collaboration with the Alumni & Placement Relations Department organized an insightful session with some of our most distinguished alumni.
