

Alfaisal University Family & Community Medicine Department  
invites you to launch of its new public health promotion program:

## "Alfaisal Mini-Med School Series"

Speaker

### ARE VIRTUAL CLINICS THE FUTURE OF MEDICINE?

**Dr. Mohammad Amin Alswes**

Family Medicine Consultant, King Faisal Specialist Hospital  
Associate Professor, Alfaisal University

#### DESCRIPTION:

Welcome to this interactive talk by an expert in the field of virtual healthcare. In this talk Dr. Alswes will describe how clinicians adapted their practice during the pandemic through telehealth and the increased preference of virtual clinics by both patients and healthcare providers. The talk will be concluded with the effect of transition to virtual care on the present and future of healthcare.
